

# SOFTWARE DEVELOPMENT AGREEMENT

---

This Software Development Agreement ("Agreement") is made on this \_\_\_\_ day of \_\_\_\_\_ 2026.

BETWEEN

M/s. Assure Chit Funds Private Limited, a company incorporated under the provisions of the Companies Act, 2013 having its registered office at #10-101/20, Plot No.40, Libra Avenue, Nadergul, Hyderabad, K.V. Rangareddy District, Telangana – 501510, represented by its Director Ms. Varsha Gaddampally (hereinafter referred to as the "Client", which expression shall unless repugnant to the context include its successors and permitted assigns);

AND

Mr. Dhanush Padarathi, Aadhaar No.: 9664 1311 2120, residing at \_\_\_\_\_ (hereinafter referred to as the "Developer", which expression shall unless repugnant to the context include his heirs, legal representatives and permitted assigns).

The Client and Developer shall individually be referred to as a "Party" and collectively as the "Parties".

## 1. PURPOSE OF THE AGREEMENT

The Client intends to develop a mobile application, web portal and backend software platform for digital management of chit fund operations including member onboarding, chit auctions, payment processing, reporting, analytics and integrations.

The Developer represents that he possesses the necessary expertise to design, develop, deploy and maintain the required software and therefore agrees to undertake the project in accordance with the terms contained in this Agreement and Annexure-A (Scope of Work).

## 2. SCOPE OF WORK

The Developer shall design, develop, test and deploy:

- Mobile Application for members.
- Web portal for members and administrators.
- Backend server and database architecture.

- Payment gateway integration.
- SMS and notification systems.
- ERPNext integration.
- All functional modules described in Annexure-A.

The system shall be stable, secure, scalable and fully operational.

### **3. DEVELOPMENT TIMELINE**

The Developer shall complete the development and deploy the system within 3 months from the date of signing this Agreement unless extended in writing by the Client.

### **4. PAYMENT TERMS**

Total Project Cost: Rs. 85,000/- (Rupees Eighty-Five Thousand only)

Payment Milestones:

- Advance: 10% upon signing of Agreement
- Development Milestone: 40% upon completion of core modules
- Final Payment: 50% after successful deployment and acceptance

Payments shall be made through bank transfer or other mutually agreed mode.

### **5. OWNERSHIP OF SOFTWARE AND SOURCE CODE**

All intellectual property including but not limited to:

- Source code
- Databases
- APIs
- Architecture
- UI designs
- Documentation

developed under this Agreement shall be the exclusive property of the Client.

The Developer shall hand over full source code, credentials and documentation upon completion of the project.

### **6. SOURCE CODE ACCESS AND ESCROW**

The Developer shall maintain the project code in a repository accessible to the Client at all times. The Client shall have the right to download and backup the latest version of the software periodically.

## **7. DATA OWNERSHIP**

All data generated within the system including member records, financial records, chit auction records and analytics shall remain the sole property of the Client.

## **8. CONFIDENTIALITY**

The Developer shall not disclose or share any business information, software architecture, member data or financial data with any third party.

This obligation shall survive termination of the Agreement.

## **9. SECURITY RESPONSIBILITIES**

The Developer shall implement industry-standard security practices to ensure protection of financial and personal information of users.

## **10. TESTING AND ACCEPTANCE**

The Developer shall provide a beta version for testing. The Client shall review the system and request necessary corrections. Final acceptance shall occur once the system operates according to Annexure-A.

## **11. DEPLOYMENT**

The Developer shall assist with hosting configuration, domain setup, deployment of application, and system launch.

## **12. TRAINING**

The Developer shall provide training materials and user training videos explaining operation of the software.

## **13. OPERATIONAL SUPPORT AND MONITORING**

The Developer shall provide full run, monitoring, maintenance and corrective support for a period of 12 months from the date of deployment including:

- Bug fixing
- Technical corrections
- Monitoring performance
- Ensuring integrations operate correctly

- Responding to operational issues

No additional fee shall be charged for such support during this period.

#### **14. SERVER CONTROL**

All domains, hosting accounts, databases, and third-party services shall be registered in the name of the Client and the Client shall retain full administrative control.

#### **15. NON-COMPETE AND SOFTWARE DUPLICATION RESTRICTION**

The Developer shall not develop, sell or license the same or substantially similar software to any competing chit fund organization within India for a period of three (3) years without written consent of the Client.

#### **16. DEVELOPER NON-BLOCKING CLAUSE**

Under no circumstances shall the Developer disable the software, block access, alter credentials or restrict the Client's access to the system due to any dispute regarding payment or otherwise.

#### **17. PENALTY FOR DATA MISUSE**

If the Developer copies, leaks or misuses the Client's data or software, the Client shall be entitled to claim damages and take legal action under applicable laws.

#### **18. DELAY PENALTY**

Delay beyond the agreed timeline may attract a penalty of 5 % of the total project cost per week subject to mutual agreement.

#### **19. TERMINATION**

The Client may terminate this Agreement in case of breach of obligations by the Developer. Upon termination the Developer shall immediately transfer all work completed including source code and credentials.

#### **20. GOVERNING LAW**

This Agreement shall be governed by the laws of India and courts at Hyderabad, Telangana shall have jurisdiction.

IN WITNESS WHEREOF the Parties have signed this Agreement.
